A MEMORABLE BATTLE

The Governors of Three States Participate at Kings Mountain Today.

The Memorial Occupies a conspicuous Site on the Highest Point of the Battlefield—The Granite Shaft Is 115 Feet High.

Blacksburg, S. C., Oct. 7.—With eloquent oratory and an imposing military display the monument erected to commemorate the battle of Kings Mountain was dedicated today on the battlefield near this place. The governors of North and South Carolina and Tennessee, members of Congress and many others prominent in official life, as well as a large concourse of citizens, were present. Soldiers of the regular army and of the National Guard of three states were present as a tribute to the Colonial troops who defeated the British forces in the wilderness of Kings Mountain on October 7, 1780, and thereby turned the tide of the Revolution in favor of the American colonies.

The Kings Mountain chapter of the Daughters of the American Revolution had charge of the day's ceremonies. The principal oration was delivered by Dr. Henry N. Snyder, president of Wofford College. Other speakers included Governor Ansel, of South Carolina, Governor Kitchin of North Carolina, and Congressman D. E. Finley.

The monument, which was erected by the Federal government, was admired by everyone who saw it. The memorial occupies a conspicuous site on the highest point of the battlefield, by McKim, Mead and White of New York, stands 115 high, and is 11 feet square at the base. On the sides are four bronze tablets. The tablet on the face of the monument is inscribed as follows:

"To Commemorate the Victory of Kings Mountain, Kings Mountain, October 7, 1780. Erected by the Government of the United States, to the Establishment of Which the Heroism and Patriotism of Those Who Participated in This Battle So Largely Contributed."

ARE MICROBES IN YOUR SCALP?

It Has Been Proved That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabourand, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebur, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time the pores entirely close, and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

Dandruff is a contagious disease, which is largely due to a destructive microbe, which when left to pursue its course causes itching scalp, falling hair and baldness. Dandruff is caused by the microbe affecting the glands which produce the sebaceous matter, which latter then unnaturally dries up and scales off.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots and overcome baldness, so long as there is any life left in the hair roots.

We back up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the user if it fails to do as we state.

It will frequently restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by making every hair root, follicle and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

Rexall "93" Hair Tonic is entirely free from grease or sediment, is exceedingly pleasant to use and will not gum the hair or permanently soil the clothing or pillows.

We exact no obligations or promises—we simply ask you to give it a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, prices 50 cents and \$1.00. Remember you can obtain it in Goldsboro only at our store—The Rexall Store. J. H. Hill & Son.

There are boys of all ages.

TEST OF CREDULITY.

To My Friend, Mr. Oliver.
I have waited patiently and long
To hear the sound of the street car
gong.
But have to say, with much regret,
I haven't heard the old thing yet—
Have I expected it too soon?
But 'twas promised by the first of
June.

True, you did not say "June nineteen
nine."
And that is where you fooled me fine:
For 'twas but natural to infer
That you meant June of present year.
You say you have been delayed
By railroad crossings not being made.
But promise again 'twill soon be done
And the electric cars begin to run,
And I'll believe this same old story,
Though with age 'tis growing hoary.
If verified, may it prove a token
That future promises will not be broken.

I may be in too big a hurry,
And, being a "knocker," should not
worry,
But since "Charlie," my big gray, died,
I have no means to take a ride;
Have felt in my pockets and do not
feel

The douch to buy a "mob"!
The New Depot is quite a route,
And my running gear is most worn
out.
If the cars you soon will start
I'll save my nickels and do my part
And every time I can afford,
I'll stop the cars and crawl aboard,
Unless in kindness you should give
A "D. H." ticket as long as I live.
So hurry up and get a move
And a well-wisher I will prove.

Yours truly,
J. M. H.

RUDOLPH DUFFY FOR CONGRESS.

Resolution Passed by the Democrats of Onslow County.

Jacksonville, N. C., Oct. 6.—At a meeting held in the court house here on October 4 at two o'clock by a large number of Democrats of Onslow county the following resolutions were passed:

"Whereas, in those days that tried the souls of men, when the storm clouds of political adversity hung heavily about North Carolina, and when the majority of the counties of the grand old State were submerged beneath this awful avalanche of fusionism, the Hon. Rudolph Duffy, the intrepid leader of the Democracy of Onslow county, standing always on the firing line with his dauntless breast bared to the enemy, and always led the Democratic hosts of Onslow to victory;

"And whereas he has rendered to the Fifth Judicial District of North Carolina a service that has won the esteem and confidence of all the people, and realizing as we do his peculiar love and sympathy for the common people, and his peculiar fitness for legislative work, after repeated solicitations from the most forceful and leading Democrats from every county in the Third Congressional District:

"Be it resolved, That his name be presented at the next Congressional convention as the candidate for a seat in the Sixty-Second Congress of the United States of America.

"Second, That the following committee be appointed to take such action as in their judgment would further his candidacy:

"M. M. Capps, W. M. Thompson, O. F. Justice, E. M. Morton, J. W. Burton, Frank Thompson, F. W. Hargett, E. M. Koonce, T. J. Capps, H. C. Canady, J. Frank Wooten, J. B. Petteway, John W. Mills, J. I. MAY MEET IN WASHINGTON.

International Aviation Meet of 1910 May Go There.

Washington, D. C., Oct. 7.—The meeting of the directors of the chamber of commerce yesterday was culminated by a discussion upon the prospects of bringing to Washington the international aviation meet of 1910. The special committee appointed several weeks ago to consider the matter submitted a report and resolutions and the board of its own accord passed a supplementary resolution pledging co-operation and support to the enterprise. The report of the committee was accepted and its resolution unanimously adopted.

QUARTERLY MEETING.

Interesting Talks and Hopeful Indications.

The third quarterly meeting of the Union Missionary Society was held in the Friends' Church Tuesday night, and a large crowd was in attendance. Several ladies gave very interesting talks on the subjects under discussion. The outlook for good results from these meetings is very hopeful, and everyone would find it profitable to attend the next meeting, which will be held in December.

Newbern Emphasizes This Spirit Towards Her Former Foes Most Admirably.

Governor Pothier, Staff and Other Distinguished Rhode Islanders Present—Salute of Eleven Guns Given.

New Bern, N. C., Oct. 6.—The Rhode Island monument in the National Cemetery was unveiled this afternoon at 2:30 by Mrs. E. K. Bishop and Mrs. R. A. Nunn, both of New Bern. As the flags fell from the beautiful figure representing "Peace," the band played "America" and the Naval Reserves fired a salute of eleven guns.

The monument was received from the sculptor, W. W. Manett, by Judge W. W. Douglass, chairman of the Massachusetts Monument Commission, who presented it to Gov. A. J. Pothier, who in turn presented it to the keeper of the National Cemetery. A special train carried the visitors and citizens to the cemetery, the attendance being about 2,000. After the unveiling the Rhode Islanders were carried on a special train to the immense plant of the John L. Roper Lumber Company, and were shown through the plant, which has a capacity of 130,000 feet per day. Afterwards the party went on the special to the battlegrounds near Croatan and spent some time in viewing the old forts, etc. Tonight the Daughters of the Confederacy are giving a reception to the entire party. Governor Pothier and staff leave for Norfolk in the morning, but some of the party will remain here for several days.

Our people are always liberal and generous when they see the necessity of a thing. Too much thanks cannot be rendered Prof. T. D. Phillips and the Woman's Betterment Association for their untiring efforts in this matter. The executive board of education was also generous in giving the building and rendering other assistance.
